# WASHINGTON ASPHALT CONFERENCE

**November 4, 2004**  
**Hyatt Hotel**  
**Bellevue, Washington**

**ACEC Washington**

# WASHINGTON ASPHALT CONFERENCE

The goal of this one-day conference is to provide up-to-date information for those planning, designing, constructing and managing asphalt pavements in the State of Washington. This will include a discussion of a recent case study of the use of Superpave at the Port of Tacoma, Washington.

After a **keynote address** by the head of the Federal Highway Administration in Washington State, participants will hear a case study of the design and construction of the Pierce County Terminal at the Port of Tacoma. The remainder of the general session will be devoted to a panel discussion and audience question & answer session entitled **Superpave Implementation – A Year Later**.

The afternoon session will allow participants to choose between two concurrent sessions on Design and Construction. Among the topics featured in the Design session will be **Superpave Performance and Cost Comparison, Porous Pavements, HMA Warranties 101, and Superpave Design Considerations**. The Construction session will devote its time to **Quality Control/Quality Assurance and Good Practices, Bad Practices**.

## Who Should Attend

This conference is intended for managers, engineers, inspectors, consultants, city and county public works department personnel, technicians and others who are involved in the planning, design, construction and maintenance of asphalt pavements in Washington. This conference has been specifically designed to provide busy professionals the practical resources they need to deliver long lasting, high-quality asphalt pavements on time, on budget and with the least disruption to the public.

## Program

7:30 Continental Breakfast

### General Session

8:00 **Welcome/Keynote Address** – Dan Mathis, FHWA

8:30 **Superpave Case Study –  
Port of Tacoma-Pierce County Terminal**  
Tom McCullough, Moffat/Nichol

9:30 Break

10:00 **Superpave Implementation – A Year Later –**  
A panel discussion moderated by Kevin Dayton,  
WSDOT Construction Engineer

12:00 Lunch (Provided)

### Concurrent Sessions

1:00 Design

- **Superpave Performance and Cost Comparison**  
Kim Willoughby, WSDOT
- **Porous Pavements**  
Newt Jackson, Nichols Consulting Engineers

Construction

- **Quality Control/Quality Assurance**  
Ray Brown, NCAT

2:30 Break

1:00 Design

- **HMA Warranties 101**  
John Epps, Granite Construction
- **Superpave Design Considerations**  
Ray Brown, NCAT

Construction

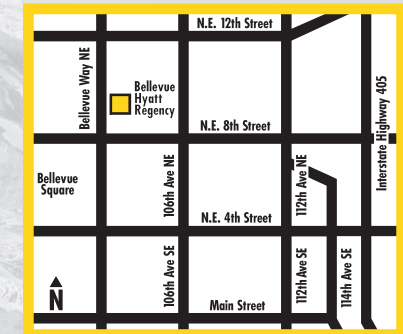

- **Good Practices, Bad Practices**  
Tom Baker, WSDOT

4:30 Adjourn

## Conference Date And Location

**Thursday, November 4, 2004**

**Hyatt Regency Hotel  
900 Bellevue Way  
Bellevue, WA 98004**

Hotel Reservations: (800) 228-9000 or (425) 462-1234.
